Teacher as a Person/Professional
July 20-23, 2009
at Facilitating the Future
WITC, Rice Lake

The work of this Masters Program will foster a teacher's capacity to be a more thoughtful, reflective educator by further developing thinking and leadership skills and becoming a master teacher.

Application Requirements:

- ☛ Complete enrollment form
- ☛ Provide copy of your current Wisconsin DPI teaching license in the PreK-12 arena--this is an absolute requirement
- ☛ Provide one letter of reference from your district administrator, principal or department chair
- ☛ Provide original Bachelor's Degree transcript (needs to be in education or related field of study)
- ☛ Create a professional reflection/development plan (questions will be given to the candidate once application has been received)
